The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Joaquin County BeWell Campus Tiny Home Village Project in Fiscal Year 2027. The entity to receive funding for this project is San Joaquin County, located at 44 N. San Joaquin Street, Stockton, CA, 95202. The funding would be used for developing a supportive housing community designed to serve individuals with behavioral health needs who are experiencing, or at risk of, homelessness. The project is an appropriate use of taxpayer funds because it will decrease homelessness and allow for homeless individuals to receive the care and services they need to transition towards permanent housing.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Josh Harder  
Member of Congress
