The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Manteca Daniels Street Community Center in Fiscal Year 2027. The entity to receive funding for this project is the City of Manteca, located at 1001 West Center Street, Manteca, CA, 95337. The funding would be used for the site infrastructure construction phase for the development of a new community center to serve Manteca's growing population. The project is an appropriate use of taxpayer funds because it will address a community service and recreation gap, ensuring residents in one of the state's fastest growing cities have access to youth programs, senior services, and recreational opportunities.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Josh Harder  
Member of Congress
