The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oakley Library and Community Center Generator Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Oakley, located at 3231 Main Street, Oakley, CA, 94561. The funding would be used to install a backup emergency generator and supporting electrical infrastructure at the Oakley Library and Community Center. The project is an appropriate use of taxpayer funds because it will provide uninterrupted public services to residents and serve as a coordination center for first responders to maintain communications and provide real-time information to the region.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Josh Harder
Member of Congress
