The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pittsburg Recreational Pier Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Pittsburg, located at 65 Civic Avenue, Pittsburg, CA, 94565. The funding would be used for the design, permitting, and construction of a new recreational fishing pier on the Sacramento-San Joaquin Delta (Delta). The project is an appropriate use of taxpayer funds because it transforms an underutilized shoreline into a resilient, regional asset that enhances public access to the Delta, supports recreation, and generates sustained economic activity that reinforces the Delta's role as both a natural resource and a regional destination.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Josh Harder
Member of Congress
