U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Stockton Metropolitan Airport (SCK) Air Traffic Control Tower Project in Fiscal Year 2027. The entity to receive funding for this project is San Joaquin County, located at 44 N. San Joaquin Street, #640, Stockton, CA, 95202. The funding would be used for the engineering and architectural design phases for a new air traffic control tower at the Stockton Metropolitan Airport (SCK). The project is an appropriate use of taxpayer funds because replacing the existing 65-year-old air traffic control tower will improve operational safety, strengthen regional economic growth, and ensure the efficient movement of passengers and goods.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. § 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Josh Harder
Member of Congress
